

A KEY IN THE FIGHT AGAINST COVID-19 is right in your pocket.

COVID Trace is a free, easy-to-use mobile phone app that generates important contact information to help fight the spread of the virus, without compromising your privacy!

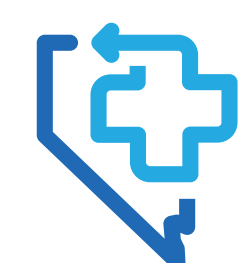

DOWNLOAD THE FREE APP TODAY!

It's available at the Apple and Android app stores.

To learn more about the Nevada Department of Health and Human Services' efforts in fighting the COVID-19 pandemic, visit nvhealthresponse.nv.gov/covidtrace.
