Governor Sisolak:

Thank you so much for your leadership during the Coronavirus Pandemic to assure that Nevadans and our great State are prepared to carry on despite this global crisis.

As the President and CEO of Renown Health, northern Nevada's not for profit, integrated delivery network, we appreciate the efforts of you and your administration in helping to assure that our hospitals and health systems are not overloaded and have the tools at our disposal to effectively serve our communities.

We are ready to stand with you and all Nevadans during these difficult times and to help mitigate any problems that may arise. Please feel free to reach out to me if Renown Health can be of additional support.

Very Truly Yours,

Tony
