## **Breakdown of CARES Act funding distributed to local governments to assist with COVID-19 expenses**

*Below please find a complete breakdown of federal CARES Act funding that will be distributed to local Nevada governments with populations of less than 500,000 to assist with unanticipated expenditures created by the COVID-19 pandemic. These funds will help in recuperation efforts, as they can be used for expenses already incurred as well as pandemic related costs moving forward. Note: Clark County and the City of Las Vegas received direct funding from the federal government as they have populations that exceed 500,000.*
