

What is the PETS Grant Program?

The Pandemic Emergency Technical Support (PETS) Grant

Program makes \$20 million in Corona-virus Relief Funds available to provide operational support to small businesses, non-profits organizations, arts and culture organizations, and local Chamber of Commerce impacted by the COVID-19 pandemic.

Payments will be made directly to applicants for selected eligible expenses they would like to cover with requested funding.

Award of Funds

Businesses and non-profits can receive up to \$10,000 for any eligible expenses;

Chambers of Commerce:

- serving less than 10 businesses can receive up to \$10,000;
- serving more than 10 businesses can receive up to \$20,000;

Arts and Culture organizations can receive up to \$20,000.

Eligibility

Eligible applicants are those businesses with less than 50 employees with gross annual revenues less than \$4 million, non-profits, Chambers of Commerce and arts and culture organizations located in Nevada with an active business license prior to March 1, 2020 that experienced and can demonstrate financial hardship due to COVID-19.

How do I apply?

Applications will be accepted through ZoomGrants.

The link to the application will be available at: <https://goed.nv.gov/pandemic-emergency-technical-support-pets-grant/> once the application period opens.

The PETS Program will be administered through the State's vendor, National Development Council (NDC).

When can I apply?

Applications will open beginning on October 19 at 8 am. Applications will close on November 2 at 5 pm.

Where can I go for more information?

Please visit the Governor's Office of Economic Development website for additional information, as well as the list of documents that will be required to verify an applicant's eligibility:
