

Face Coverings Policy

- In accordance with Emergency Directive 052, as of February 11, 2022, masks are optional for all school staff, students, and visitors at Girls Athletic Leadership School Las Vegas.
- If an outbreak of COVID-19 is identified by the Southern Nevada Health District (SNHD), Girls Athletic Leadership School Las Vegas will implement masking and/or other mitigation measures at the direction of the local health authority.
- The mask requirement and/or any other mitigation measures will be in effect until the local health authority determines the outbreak is closed. In the event of an outbreak, Girls Athletic Leadership School Las Vegas will communicate directly with affected families via email, phone messages and social media.
- In line with CDC guidance, masks will be required for 5 days for any students or staff utilizing the shortened quarantine and isolation period.
- Girls Athletic Leadership School Las Vegas will continue to follow CDC/DHHS guidance regarding masking requirements at the school related to quarantine and isolation periods.

COVID-19 Screening

- Staff and students are encouraged to stay home if they are not feeling well.
- All students have their temperatures checked every morning as they arrive at school with a touchless thermometer.
- If a student or staff member has a fever or has symptoms, they are isolated, staff completes GALS LV School Script for Symptom Ascertainment (at the end of this document), and families are called to pick up their child.
- Parents of symptomatic students are encouraged to have their child take a free test at GALS LV.

COVID-19 Testing Program

- Through a partnership with Color Laboratories, Girls Athletic Leadership School Las Vegas has an onsite COVID-19 testing program in place to provide testing for any staff, students, or their families with exposure concerns.
- If a student or staff member has a fever or has symptoms, they are isolated, staff completes GALS LV School Script for Symptom Ascertainment (at the end of this document), and families are called to pick up their child.
- Parents of symptomatic students will be encouraged to have their child take a free test.
- Testing results are typically received within 24-48 hours, and all current CDC/DHHS protocols are followed regarding isolation and quarantine periods.
- Girls Athletic Leadership School Las Vegas will follow CDC/DHHS guidance regarding positive case reporting, quarantine and isolation periods.
- All testing is provided free of charge.

Case Reporting and Contact Tracing

Any instances of students or staff having tested positive for COVID-19 must be put in isolation and reported to the appropriate public health authority immediately. In addition, any increase or clusters of students or staff reporting symptoms consistent with COVID-19 in the absence of being tested, should also be put on isolation and reported to the appropriate public health authority immediately:

- Southern Nevada Health District (SNHD): (702) 759-0925 (24 hours), or schoolcovid@snhd.org

Any COVID-19 outbreak declarations must be reported to your local public health authority immediately.

Outbreaks

- Definition: An outbreak at GALSLV is defined by having multiple cases are reported and are linked to a particular classroom or cohort, or same exposure setting. Multiple cases comprising at least 10% of students, teachers, or staff within a specified core group OR at least three (3) within a specified core group meeting criteria for a school-associated COVID-19 case; with symptom onset or positive test result within 14 days of each other AND NO likely known epidemiologic link to a case outside of the school setting.
- If an outbreak of COVID-19 is identified by the Southern Nevada Health District (SNHD), Girls Athletic Leadership School Las Vegas will implement masking and/or other mitigation measures at the direction of the local health authority.
- Monitoring will be conducted in cooperation with SNHD guidance during an outbreak.
- SNHD guidance and criteria will be used to determine any necessary closure.
- In the event of an outbreak, Girls Athletic Leadership School Las Vegas will communicate directly with affected families via email, phone messages and social media.
- Southern Nevada Health District (SNHD): (702) 759-0925 (24 hours), or schoolcovid@snhd.org

Prevention Strategies

- If a student or staff is not feeling well or experiencing COVID-19, staff will complete the GALSLV School Script for Symptom Ascertainment.
- Students and staff are asked to self-screen daily for symptoms and stay home when sick and report those absences to the appropriate source.
- Respiratory etiquette is taught and reinforced throughout the buildings to minimize the transmission of respiratory pathogens.
- Girls Athletic Leadership School Las Vegas encourages hand washing and hand sanitizer is in every classroom.
- High-touch surfaces are cleaned throughout the day.
- Physical distancing is utilized to the greatest extent possible.

GIRLS ATHLETIC LEADERSHIP SCHOOL (GALS) LAS VEGAS

- Classroom and lunchroom cohorts with searching charts are used to track and mitigate the spread of COVID-19.
- Building ventilation is being maximized through the central HVAC system.
- Staff includes students in the classroom cleaning procedures to the greatest extent possible including frequent opportunities for hand sanitizing and wiping down high-touch surfaces between activities and classes.
- Girls Athletic Leadership School Las Vegas provides information to families to increase access and awareness of vaccines in the community.
