## Trinity COVID 19 Mitigation plan

### 1) Face Covering Policy

- a. Trinity International School welcomes Governor Sisolak's updated directive to end the statewide mask mandate for Nevada. Trinity will no longer be requiring face coverings on school campus.
- b. Trinity encourages any at-risk individuals with underlying health issues to continue to wear masks to help protect their persons. Because COVID-19 continues, we support all families and staff in their choice to continue masking.
- c. **In the event of an outbreak, a short-term face covering policy will be reimplemented as a prevention strategy – All outbreaks will be reported to CDC through email or phone**
- d. Trinity respects the right of every parent and student in their choice to vaccinate against COVID 19.
- e. **Trinity will promote well-child health visits for routine health needs and offer information on all vaccines at the request of any staff, parent, guardians or student request.**
- f. Students on campus will maintain at least 3- 6 feet of physical distance between students within classrooms to reduce transmission risk
- g. Trinity will allow for proper ventilation of classrooms and hallways. The school will allow fresh air, open doors and windows when possible.
- h. Trinity will promote handwashing often and have hand sanitizer readily available on campus for student and staff usage.
- i. Student desks are cleaned and disinfected in between use of every student.
- j. Respiratory Etiquette – Per CDC, “If you are wearing a mask: You can cough or sneeze into your mask. Put on a new, clean mask as soon as possible and wash your hands. - If you are not wearing a mask: Always cover your mouth and nose with a tissue when you cough or sneeze, or use the inside of your elbow and do not spit. - Throw used tissues in the trash. - Immediately wash your hands with soap and water for at least 20 seconds.”
- k. All staff and students are encouraged to stay home when sick and get tested if they have symptoms
  - i. Per the CDC, Trinity Students, teachers, and staff will follow “the stay home when they have signs of any infectious illness” policy and be referred to their healthcare provider for testing and care.

### 2) Trinity Testing Policy

- a. Quarantine and testing decisions are made on a case by case basis, including mask use, vaccination status, previous positive lab results in the last 90 days. In order to assist with this decision, seating charts are required for all classes. Other guidelines that will apply:
  - i. Trinity Recommends any staff or student who has had close contact with someone with COVID-19 get tested.
    1. **Staff or students with any COVID symptoms must be tested immediately**

2. **All staff and students who test because of symptoms must have a negative test to return to campus, or have completed the isolation period of 5 days and be symptom free**
  3. **All athletes must be symptom free to be eligible, any symptoms will result in testing – a negative test is required to return to athletes or have completed the isolation period of 5 days and be symptom free.**
    - ii. Trinity will forgo quarantine for students ages 12-17 years who completed their primary vaccine series but have not yet received all eligible boosters.
    - iii. **All non-vaccinated staff and students will follow the CDC isolation and quarantine guidelines: Stay home and quarantine for at least 5 full days.**
    - iv. **Students and staff returning to school after 5 days of isolation will be required to wear a mask until day 10 for precautionary purposes.**
    - v. Trinity recommends all staff and students at least 5 days after having close contact with someone with COVID-19 be tested unless they had confirmed COVID-19 in the last 90 days and subsequently recovered.
- 3) Detecting School-wide outbreak
- a. School wide outbreak will be defined as: “Two or more patients with COVID-19 are discovered to be linked, (e.g., two patients who received a diagnosis of COVID-19 are found to work in the same office or classroom)
  - b. Trinity will use our text messaging system and email to contact students and families about the outbreak
  - c. Once an outbreak is declared, face covering will go into place and contact tracing followed
  - d. **All outbreaks will be reported to SNHD through email to [schoolcovid@snhd.org](mailto:schoolcovid@snhd.org) or 702-759-1300**
  - e. Outbreak will be monitored through school reporting (e.g., student absences and reported testing)
  - f. An outbreak will be closed when 5 days has passed with no new positive cases being reported
  - g. Trinity will use our text messaging system and email to contact students and families about the close of the outbreak
