

REVISED SCHOOL COVID 19 PLAN for BLS

This plan is subject to change based on local and or state recommendations or mandates.

1. Mask wearing in the school building will be optional for all teachers, students, parents, volunteers, and visitors.
2. Students, staff and visitors must comply with the “revised CDC COVID-19 Isolation and Quarantine Guidance updated 1.3.22
3. School Staff will hold the right to request students, parents, volunteers, visitors to mask up if they have a persistent cough or fits of sneezing.
4. School Staff will reserve the right to send a child home if symptoms of illness are present.
5. Practice some reasonable distancing when appropriate.
6. We will continue to provide hand sanitizing stations in the building.
7. We will not require you to test for Covid. If you are sick, stay home. If you would like to get tested please contact your health care provider or utilize the testing resources found here (https://gethealthycarsoncity.org/wp-content/uploads/2022/02/COVID-19-Testing-Resources-Flyer_V4-2.1.22-1.pdf)
8. Guidance and recommendations from the National Center of Disease Control, (CDC), and local health authorities encourage the vaccination of age-appropriate persons against the COVID-19 virus. BLS does not mandate COVID-19 vaccinations as a requirement to attend school or to be in school buildings or on school grounds.

The following situations should be considered:

Entering the Building:

9. Parents: please check your child’s temperature before arriving at school. Anybody exhibiting a temperature of over 100 degrees will sent home immediately.
10. Parents: Self Questioning of yourself and your child.
 - A. How are you feeling today?
 - B. Has your child had a fever in the last 24 hours?

C. Has your child been exposed to anyone having COVID in the last 14 days? If yes, to any of these questions please STAY HOME and check the attached flow chart.

11. If your child is sick, we ask that you please contact the school office and let the office know that your child will not be in school and what illness may be keeping them from school.

The Classroom and Hallways:

12. Classrooms will be arranged with appropriate social distancing.

Recess:

13. Students will be asked to practice safe social distancing.

Cleaning and Sanitization Protocols

14. Cleaning and sanitization protocols will continue throughout the school year.
15. Wiping down of surfaces daily
16. Continued fogging of the classrooms. Two times per week.

Lunch/Eating Outside:

17. Lunch tables will be sprayed with bleach water at the end of each lunch period by the teacher of the classroom which just used the picnic tables.

IMPORTANT:

18. Good hygiene and continued sanitation practices including awareness of social distancing practices will be encouraged.

Positive Notification:

19. If your child or anyone in your family has a Positive Notification of COVID-19, please contact the school office at 882-5252 ext 100 and we will guide you through the current protocols on returning to school.

20. BLS will work closely with the Local Health Authority (Quad Counties) on case notification, contract tracing and outbreak investigation as needed. The Local Health Authority (Quad Counties) will utilize the CSTE definition for a school outbreak.

School Board adopted 3.1.2022
